DRAWING REVISION AUTHORIZATION REQUEST RECEIVED

Attn: Official Draftsperson
Hon. Asst. Commissioner of Patents
Washington, D.C. 20231

TECHNOLOGY CENTER R3700

Sir:

Submitted herewith are proposed drawing revisions, with the changes marked in red. Reference numerals 20 and 30 have been added to Fig. 1 and reference numerals 16 and 17 have been added to Fig. 6. The alignment of the port axis shown for position 1 in Fig. 4 has been corrected to conform to the description given in the specification at page 10, last paragraph through page 11, first paragraph. These changes would have been apparent to a person of ordinary skill in reading the specification in conjunction with the Figures and these changes do not add new matter. Figs. 2, 7 and 9 have had the German term "Ansicht" translated to "view". It is respectfully requested that these changes be approved.

Respectfully submitted,
